HDFC BANK WANTS to use homelending as a gateway for the world's sixth largest lender to capture more consumer finance customers with loans on everything from air conditioners to cars and TVs.

The Mumbai-based bank is converting about 530 offices that previously specialised in mortgages into ones with fully-fledged banking services in the coming months, said Kaizad Bharucha, HDFC Bank

When he takes a house, he takes a consumer finance loan, which means he's taking a loan to buy his appliances. He doesn't have to go anywhere else."

KAIZAD BHARUCHA, DEPUTY MD, HDFC BANK

deputy managing director. Bharucha said his firm can now offer home loans at more than three times the locations following its merger with HDFC and that's just the start. "When he takes a house, he takes a consumer finance loan,

which means he's taking a loan to buy his appliances," Bharucha said in an interview. "He doesn't have to go anywhere else," Bharucha added. It's an opportune moment for HDFC Bank as demand from retail customers surges

across India, the world's most populous country. The nation's banks and shadow lenders have been expanding into consumer finance as demand for loans from retail customers surged 22% over the past year. The intensifying competition has drawn the likes of Jio Financial Services, a unit of Mukesh Ambani's Reliance Industries, that's looking to get a slice of the action. Bharucha added his bank also aims to boost loans for affordable housing and construction finance.

ple seem to have remitted money abroad to avoid TCS payment from July 1, according to bankers. Remittances to purchase immovable property abroad rose by 116% to \$45.85 million in June this year as against \$21.22 million in the previous month, according to RBI data. LRS outflow for purchase of equity and debt abroad shot up by 194.66% to \$314.73 million in June from \$106.81 million in May. Equity investment spurred by 384% from just \$65 million in June 2022. According to RBI data, remittances for maintenance of relatives rose by 81.54% to \$890.89 million in June 2023 from \$490.73 million in the previous month and \$304.85 million in June 2022. Remittances as gift also jumped by 64.81% to \$890.89 million June from \$390.72 million in the previous month. However, travel remittances were marginally lower

At \$1.482 billion in June from \$1.495 billion in the previous month. The Budget 2023-24 had proposed hiking the TCS rate to 20% from 5% above ₹7 lakh threshold for all purposes other than education and medical treatment. Also, for overseas tour packages, the government had proposed hiking the TCS rate to 20% from 5%, without any threshold, with effect from July 1. On May 16, the Centre amended rules under the Foreign Exchange Management Act (FEMA), bringing international credit card spends under the LRS. As a consequence, spending on international credit cards would have then attracted a higher rate of TCS at 20% from July 1. However, on May 19, the government clarified that any payments by an individual using their international debit or credit cards up to ₹7 lakh per

financial year will be excluded from the LRS limits and hence, will not attract any TCS. The government then postponed the implementation to October 1, 2023. Days before the new tax was to come into effect, in a reversal of its earlier decision, the government decided to defer the decision to include international credit card spends outside India under the LRS. This, in effect, means there will be no levy of TCS on international credit card spends outside India as of now. The government also extended the timeline to levy the higher proposed TCS rates with effect from October 1 instead of July 1 this year. This postponement came amid banks raising concerns about the unpreparedness of their reporting systems to roll out the differential TCS levy for various categories such as medical, education, overseas tour packages among others.

BoB drops Sunny Villa's auction

FE BUREAU

Mumbai, August 21

FACING PROSPECTS OF his bungalow in Mumbai being auctioned to recover unpaid loans, Bollywood actor Sunny Deol has offered to settle all outstanding dues, prompting state-owned lender Bank of Baroda to drop auction proceedings for the property. The lender issued a statement on Monday, saying that Deol has offered to settle the dues, hours after it had withdrawn the public notice to auction the villa owned by the actor and sitting BJP Member of Parliament, citing technical reasons. Explaining the technical reasons, BoB said total dues did not specify the exact quantum to be recovered. Also, the sale notice was based on a symbolic possession of the property as per Rule 8(6) of the Security Interest (Enforcement) Rules 2002. The bank said an application to the chief metropolitan magistrate sent on August 1, 2023 seeking physical possession of the property is pending. "Since the unit is running as conveyed to us by the borrower, sale/action will be initiated as per the provisions of the Sarfaesi Act, once the physical possession is taken." Accordingly, the sale notice is withdrawn as per the normal industry practice followed in other cases as well, the lender said in a fresh statement.
